

STEEL FABRICATION

SHAFAQ AL GROUP UNITED L.L.C.

About Us

SHAFaq AL GROUP UNITED LLC is an Oman based company providing Mechanical Engineering services throughout the Oman market taking part in the renaissance of Sultanate of Oman. We are enthusiastic participants in the creation of a more efficient and sustainable mechanical engineering company. SHAFaq is focused on the provision of high technical and professional standards of service to niche markets with emphasis on building strong, trusting and long lasting associations with satisfied clients.

Our Vision

To be highly committed to leading the industry in honesty, safety, integrity and exceeding our customer's expectations. The company has developed and implemented an integrated Management system which ensures that we can meet our clients requirements on time, every time, from the initial stage through to project completion.

Our Mission

SHAFQA is committed to meet its obligation of international quality standard as well as local or regional requirements and be amongst the top manufacturer of structural steel frames, girders, structural beams and miscellaneous steel structures in the local and international markets. In the regional perspective, our mission is to provide and develop products and services to meet the needs and expectations of our customers.

Our rigid quality assurance / control procedures are maintained and implemented to the highest level of standard. This is in order to ensure that the product quality and services will meet the stringent requirements of our customers and their specifications. As we try to position ourselves at the very heart of the gulf's steel industry, it will serve its purpose in leading us to the right direction, business-wise, on one hand and the development and management of our human-resource on the other. We have set-out our corporate visions, goals and objectives, and in order to build and achieve them in optimum time, each and every individual associated with the company to possess work quality of the highest possible standards. It is our aim to be experienced in our filed of expertise, showing flexibility, innovation and possessing a positive approach to all our undertakings. SHAFQA is forging ahead to serve its purpose i.e., to be productive, a pillar and a contributing factor to the growth and resiliency of the gulf's highly competitive steel industry. This, in essence, is our company tenet, driving principle and belief.
